My personal attitude to life, as well as sport, is to always put your heart and soul into it, be strong-willed and passionate. Then you can be honest with yourself and say „I did my best".

I developed the VRANJES Handball with this motto in mind. The aim was to develop a handball for all levels, because every player, no matter if professional or beginner, deserves a high quality handball.

The collaboration with ERIMA is ideal because ERIMA has the same set of values that I do.
I am looking forward to further developing and marketing the VRANJES handball together with ERIMA.
